WELCOME TO

The Noble House Inn

The Noble House is firmly planted in the history of lovely Bridgton, Maine. Formerly a senator's retreat, you can feel the history in the beautifully appointed 1903 home and carriage house, lovingly restored and given a modern flare.

The five-acre grounds afford relaxation whether it be gathered around one of the firepits, sitting in an Adirondack, or swinging on the porch swing while drinking a handcrafted cocktail from the Noble Bar.

*Everything falls into place once you have
chosen the venue for your special day!*
